Covid-19 Coronavirus Update

March 2020

Dear valued customer;

In line with HSE and government guidelines, we are committed to protecting the well-being of our valued staff and customers.

We have taken our sales personnel off the road for all except essential visits to customers. They are all available to you by phone calls / emails.

At the moment, we have our full production and picking team onsite in Dublin and Cork. So its "business as usual".

With regard to our supply chain, at present we are experiencing only minimal disruptions. We hold large stocks here and in Cork, so we do not foresee any great issues in the coming weeks.

We will keep you informed of any changes, and we appreciate your support at this challenging time for all of us.

Please don't hesitate to contact me or any of the team if you have any questions.

Kind regards,

Liam Collins
